|---|---|-------------------|
| (Fill this out if using a township employee. If contracted, use No. 3b instead).  |   |                   |
| The township will not charge for labor directly associated with redaction if it knows or has reason to know that it previously redacted the record in question and still has the redacted version in its possession.  |   |                   |
| This fee is being charged because failure to do so will result in unreasonably high costs to the township that are excessive and beyond the normal or usual amount for those services compared to the township's usual FOIA requests, because of the nature of the request in this particular instance, specifically:   |   |                   |
| This is the cost of labor of a <b>township employee</b> , including necessary review, directly associated with separating and deleting exempt from nonexempt information.
